Historical Note

In 2005, the Town/City Clerk of Hartford, Daniel Carey, under a grant from the Connecticut State Library hired a firm to survey the clerk's five story vault. The next year, under a second grant, an archival aide was hired to remove the records and documents from the vault. They were sorted into record groups, placed in acid free folders and then into manuscript boxes. In the fall of 2010, with the permission of the Mayor of Hartford, the Court of Common Council of Hartford, the Town/City Clerk of Hartford and the Public Records Administrator and the State Archivist of the Connecticut State Library, the City and Town Clerk Archive was formally transferred to the Hartford History Center, Hartford Public Library.

Scope and Content

The archive is a comprehensive record of the City of Hartford as collected by the Town and City Clerk Office and includes record groups by department / governmental entity or area of focus. For example, the collection holds Street Commissioner Reports 1784-1945 as well as records with single subject headings like bridges, railroads and celebrations. In addition, the collection holds vital statistics for select years.
